著者:Stairs, Allen/ Bernard, Christopher

出版者:Addison-Wesley

出版时间:2006-9

装帧:Pap

isbn:9780321243751

Written in an approachable, student-friendly style, Philosophy of Religion provides broad, up-to-date coverage of the major topics in contemporary analytic philosophy of religion. Each chapter begins with a brief preview laying out the key issues that will be discussed, and a "hook" that will capture the reader's attention. "At a Glance" summaries, in the form of a bulleted list at the end of each chapter, provide a road map to help readers navigate the often complicated arguments within the philosophy of religion. This book is intended to stimulate clear thinking and careful attention to the reasons and argument for taking up views on religious questions.
