Max Weber's "The Protestant Ethic and the Spirit of Capitalism" continues to be one of the most influential texts in the sociology of modern Western societies. Although Weber never produced the further essays with which he intended to extend the study, he did complete four lengthy Replies to reviews of the text by two German historians. Written between 1907 and 1910, the Replies offer a fascinating insight into Weber's intentions in the original study, and the present volume is the first complete translation of all four Replies in English.

## 评论

韦伯真是火爆脾气，估计被气坏了。这四篇反驳都好玩。现在对《新教伦理》的很多质疑也没有超出Fischer和Rachfahl的范围，韦伯的反驳值得一读。
