Following on from the success of the first edition of "What Philosophers Think", this second edition brings together a collection of interviews with some of the world's most important and influential philosophers and intellectuals and leading figures in the arts and politics, including: Bernard Williams, Onora O'Neill, Philippa Foot, Philip Pullman, Bhikhu Parekh, Slavoj Zizek, AC Grayling, Igor Alexander, Alexander McCall Smith, Daniel Dennett, and Oliver Letwin. The interviews - all revised and expanded from "The Philosopher's Magazine" - cover a wide range of issues and offer a unique insight into the minds behind the great ideas of today. Always lively, provocative and accessible, these interviews get to the heart of today's most vital questions.
