出版时间:1992-3-10

装帧:Paperback

isbn:9780877736615

The I Ching is the most ancient and profound of the Chinese classics, venerated for over three thousand years as an oracle of fortune, a guide to success, and a dispensary of wisdom. This new translation, with commentary by Confucius, emphasizes applying practical wisdom in everyday affairs. Complete instructions for consulting the I Ching are included.
