

Philosophy of Mind

[Philosophy of Mind_ 下载链接1](#)

著者:Bechtel, William

出版者:Lawrence Erlbaum Assoc Inc

出版时间:1988-5

装帧:HRD

isbn:9780805802184

Specifically designed to make the philosophy of mind intelligible to those not trained in philosophy, this book provides a concise overview for students and researchers in the cognitive sciences. Emphasizing the relevance of philosophical work to investigations in other cognitive sciences, this unique text examines such issues as the meaning of language, the mind-body problem, the functionalist theories of cognition, and intentionality. As he explores the philosophical issues, Bechtel draws connections between philosophical views and theoretical and experimental work in such disciplines as cognitive psychology, artificial intelligence, linguistics, neuroscience, and anthropology.
