A Capitol Idea reveals the extent to which think tanks in the United States have become active and vocal participants in the foreign policy-making process. In this timely exploration, Donald Abelson re-evaluates the role of these complex organizations and looks at how political influence is achieved on Capitol Hill and in the White House. Abelson focuses on a host of high profile think tanks - including the Brookings Institute, the Heritage Foundation, and the Project for the New American Century - and on the public and private channels they rely on to influence important and controversial foreign policies, including the development and possible deployment of a National Missile Defense and George Bush's controversial War on Terror. In the process of uncovering how some of the nation's most prominent think tanks have established themselves as key players in the political arena, he challenges traditional approaches to assessing policy influence and suggests alternative models.

我真的很头大诶。。什么因素影响了x智库的对外政策议程 这本书告诉我  
智库对政策的影响力不在于其排名 媒体曝光率  
而是与政策制定环节相关联的各个机构之间的关系  
所以要用一种整体的方法研究影响力 So……要用质化的研究方法 我枯了 那么  
智库对政策的影响力都是个问题 它内部态度是如何形成的 意义在哪儿呢……
