出版时间:2007-02-20

装帧:Paperback

isbn:9780745323848

'Powerful and clarifying ...The book's combination of careful argument and cogent illustration will make this a landmark volume in Gramscian studies.' John Agnew, University of California, Los Angeles, and author of *Hegemony: The New Shape of Global Power* 'Morton draws upon an impressive knowledge of Gramsci's writings to provide new insights into key processes in today's world order.' Anne Showstack Sassoon, Emeritus Professor, Kingston University and Visiting Professor, Birkbeck College, University of London *Unravelling Gramsci* makes extensive use of Antonio Gramsci's writings, including his much-overlooked pre-prison journalism, prison letters, as well as his prison notebooks, to provide a fresh approach to understanding his contemporary relevance in the current neoliberal world order. Adam Morton examines in detail the themes of hegemony, passive revolution and uneven development to provide a useful way of analysing the contemporary global political economy, the project of neoliberalism, processes of state formation, and practices of resistance. The book explores the theoretical and practical limitations of how Gramsci's ideas can be used today, offering a broad insight into state formation and the international factors shaping hegemony within a capitalist framework.
