* Touraine is one of the leading social thinkers in the world today and many of his books have been published in English.* In this book Touraine presents a new theoretical framework for understanding the contemporary world. It is a broad theoretical work which seeks to make sense of everyday experience at the beginning of the 21st century.* This is a major new theoretical work by one of the leading sociologists in the world today.* A great reference book for those studying sociology and social theory at any level.
