At the age of 48, Moritz Thomsen sold his pig farm and joined the Peace Corps. As he tells the story, his awareness of the comic elements in the human situation - including his own - and his ability to convey it in fast-moving, earthy prose have made "Living Poor" a classic. 'Hilariously funny at times, grimly sad at others and elavened with perceptive insights into the ways of the people and with breathtaking descriptions of the Ecuadorian landscape' - St. Louis Post-Dispatch.
