出版者:Palgrave

出版时间:2005-2-28

装帧:Paperback

isbn:9780333961612

This substantially revised 7th edition of a classic text includes a new chapter on globalization and regionalization and broader coverage of democratic politics, interests and movements; of the media; of social and cultural influences on political behaviour and of public management. It has been systematically revised and updated throughout in the accessible down-to-earth style that has made it such a popular student choice for over 30 years.
