In any scale of human equivalence and comparative<br>evaluationsi¼Œ man hasi¼Œ throughout the many ages of his-<br>toryi¼Œ attemptedi¼Œ in numerous ways and in countless in-<br>stancesi¼Œ to perpetuate what he believed to be a segment<br>of human immortality. Whether it was through the classical<br>artsi¼Œ building a pyramid or an empirei¼Œ always the human<br>motivation for immortality was apparent; to become im-<br>mortal in the eyes of all men or to become immortal in<br>some heavenly abode--as it was so constantly promised in<br>the precepts of religious systems.<br>Unique among~the histories of the worldi¼Œ is an entirely<br>new concept of life--evolutioni¼Œ and an infallible immor-<br>talityi¼Œ which is now being made availablei¼Œ and for the first<br>timei¼Œ to those persons who have long sought the correct<br>approach to this age-old question of immortality. A new<br>and totally complete Science of Lifei¼Œ which at once cuts<br>through the age-old Gordian knot of rhetorical dogmai¼Œ<br>false creeds and credosi¼Œ slays the fiery dragons of super-<br>stitious religions and lays barei¼Œ for the first timei¼Œ the golden<br>futurei¼Œ wherei¼Œ upon the rung of the ladder of evolutioni¼Œ an<br>aspiring man can climb into one of those heavenly man-<br>sions--a Science of Lifei¼Œ whichi¼Œ for the eyes and ears

of mankind is called Unarius. It should be noted at this point and again differing in its origins and dispensations Unarius is not a singular effort such as that which has started many religious creeds political factions induced great conquests and cruades or festooned the walls and galleries of castles and museums with paintings and statuary. Unarius is in its embodiment a host of millions of Advanced Beings; persons from many worlds and many ages of time who have climbed the evolutionary ladder to their heavenly abode; and who have in personalities corn/humanitarian efforts known by that particular evolution that the aspirant aid and assist another there are many that assistance attained of the way of pre the Unarius curriculum Finally to take time of science Hosts came to earth could best lead through him sciences which were shown him and in their center the Light of the manifested on the earth. There is more this chronology; individual testimonies through their efforts sons made the Master immediately available in tribute and as testified in their words you read the painstaking efforts he the page. And thus scanning the first journal and discrepancies; used a large share of clerical-like tasks smoothly.
