New third edition! This classic art reference shows artists how to handle materials safely while practicing their craft. Dozens of at-a-glance tables and charts present vital information about art materials, ingredients, technical hazards, proper protective equipment, and safe work practices simply and accurately. This brand-new third edition is now completely revised and expanded to detail lifesaving new safety and ventilation equipment, present urgent new discoveries on toxins and pollutants found in arts and crafts materials, and explain the controversies surrounding new government regulations. A virtual lifesaver for all art and craft workers.
