Jimena was once the toughest chola in East L.A. No longer in a gang, she is still feared by many. Nothing scares Jimena. Nothing, that is, except the reappearance of Veto, who was once the love of her life. That terrifies her, because Veto was killed a year ago by a rival gang. Or was he? Jimena discovers that he has made a devil's bargain, which could cost both of them their lives.
