著者:Faulknor, Joyce Roletto

出版者:F & W Pubns Inc

出版时间:2006-9

装帧:HRD

isbn:9781581807530

In "Stunning Crystal and Glass", dramatic light-filled paintings become possible no matter what your skill level. Where most watercolorists paint from light to dark, expert Joyce Faulknor teaches how to go from dark to light, a technique she says is easier to learn and ultimately adds more depth and texture to any work. Composition examples

show ways to add flowers, colorful cloths, and reflective surfaces to backgrounds to create spectacular effects.
