Dramaline's original monologues are of ideal duration, embrace contemporary subjects, have definite points of view, are written in today's speech, and have beginnings, middles and ends. And they are not over-worked war-horses. They are fresh slices of modern life that focus maximum attention on you. And they are formatted with readable spacing and printed on eye-easy paper. Every consideration has been taken to make Dramaline books easy on the actor, to make them readily usable, effective tools. The accent is on you!
