A collaborative monogram of work by Elisabeth Arkhipoff and Laurent Fétis, who are both based in Paris. Elisabeth is an internationally recognized artist, having her work featured in magazines like Vogue Japan and she has also done a solo show at Rocket Gallery in Tokyo. Laurent Fétis, a graphic designer, has worked for Tahiti 80's album cover as well as creating graphics for Roman Coppola's film. The book showcases their selected individual works but also includes their recently made collaborative work.
