Face it: no self-respecting young adult likes to be caught out of the know. But few teenagers have the time or inclination to plow through Web sites, almanacs, and weighty reference books to find the answers to all their questions. The Book of Lists for Teens is an informative, lively, and engaging source of information about all kinds of things, and it's fun. It's all here: everything that matters most to people aged twelve to sixteen, from lists on cyberfun, music, and movies to advice about social pressures, family matters, and planning for the future. Packed with Internet addresses, recommended reading, and project ideas, The Book of Lists for Teens provides a resource that goes far beyond its pages. Featuring:

- Tips for raising well-adjusted parents
- Consumer scams especially aimed at teens
- Foods to eat before taking a test
- Tips for buying a stereo
- How to stay safe at concerts
- Reasons to keep a private journal (and ways to make sure it stays that way--private)

And much, much more . . .
