BUILD THE SKILLS THAT LEAD TO A HEALTHY LIFE!

Everything you need to teach and motivate your students is here--in one comprehensive, skills-based health program. With this edition, Glencoe/McGraw-Hill,

the leading publisher of health education materials and CNN/Turner Broadcasting, the world's news leader have teamed up to create this dynamic feature and video as a new way to look at and study health issues.

- "CNN Health News" articles expand on chapter topics to help students better understand their own health and the health of those around them.

- "CNN Health News Videos" introduce students to professionals in the scientific community who provide their expertise and offer new information on important topics. Young people will share their viewpoints about relevant health news today.

"Glencoe Health" combines print, audio, and technology resources in an integrated program of health education that is certain to engage and challenge every student. With its short lessons, interactive format, increased emphasis on skill building, and exciting new visual approach, "Glencoe Health" is the health curriculum that helps students find answers to today's perplexing health issues. Help your students assess their health and improve their health skills. "Glencoe Health" covers the entire spectrum of high school health issues--from personal health to injury prevention; from community health to nutrition and fitness; and from alcohol, tobacco, and drugs to personal development and family living--in a high-interest, interactive style your students will respond to and enjoy.
