出版时间:2001-4

装帧:Pap

isbn:9780310700456

This is just one of the real questions girls will read about in this awesome new book Girlz Want to Know. Filled with real questions that were asked by real girls, author Susie Shellenberger takes a casual approach to touchy topics that young girls often wonder about by writing in the style of a big sister that says, 'I've been there. Here's what I've learned.' For great advice on some of the most basic to the most personal questions young girls ask concerning their family, friends, faith, changing bodies, the future, and boys, check out Girlz Want to Know
