Ryan Kealey has no time to wrestle his demons. The country needs him too badly. Former U.S. soldier Jason March, one of the world's deadliest assassins, and Ryan's former protege--is now working with a powerful Middle East terror network whose goal is nothing less than the total annihilation of the United States. Assigned to work with beautiful and tenacious British-born agent Naomi Kharmai, Ryan puts together the pieces of a terrifying puzzle--only to discover his own unwitting role in March's diabolical crusade. With the fate of the country resting on his shoulders, Ryan finds himself caught in a desperate game of cat-and-mouse with the most cunning opponent he's ever faced, one who won't be denied the ultimate act of evil--a man who is all the more deadly for being one of our own.
