Soup is the original comfort food. After all, what could be more satisfying than a puree of butternut squash topped with a dollop of cream? But soup can be refreshing as well -- think of a medley of spring vegetables simmered with fresh herbs. Williams-Sonoma Collection "Soup" offers more than 40 easy-to-follow recipes, including both classic favorites and fresh new ideas. In these pages, you'll find inspiring soups designed to fit any occasion at any time of year -- from a quick and simple meal to an enjoyable lunch in the garden. This beautifully photographed, full-color recipe collection will become an essential addition to your kitchen bookshelf. "" Just take a look through these pages,

and I believe you'll be ready to take out the soup pot!"
