著者:Noyed, Robert B.

出版者:The Childs World Inc

出版时间:

装帧:SAL

isbn:9781567669725

The second step in this unique series gently lengthens sentences and features more challenging vocabulary, but the overall layout and marvelous photo format remain familiar to students enjoying newly acquired skills. Nonfiction Level Two readers are rewarded for their progress with such high-interest topics as inspiring biographies, friendly farm animals, and action-packed activities. Each title at this step includes a helpful index of key words and phrases and a reference section with Web sites.
