Weekly Reader "RM" Early Learning Library guides beginning readers to greater early literacy proficiency, while introducing common concepts in the early elementary curriculum. Conozcamos nuestro cuerpo/Let's Read About Our Bodies is a bilingual series of eight lively and easy-to-understand books for young readers about parts of the body and the importance of good health habits. Ideal for students just developing fluency in English, they are also great "take home" books for children to read together with parents whose first language is Spanish. Simple, repetitive text closely linked with

colorful original photography makes these books exceptionally accessible and appealing. In Pies/Feet, readers learn to keep their toenails short and clean and to wear socks and shoes to protect their feet.
