著者:Howard, Elizabeth Fitzgerald/ Ransome, James (ILT)

出版者:Houghton Mifflin

出版时间:2001-1

装帧:SAL

isbn:9780618120383

When Aunt Flossie's Hats (and Crab Cakes Later) was first published in 1991, it met with an overwhelming response from readers and reviewers alike. Here was "a wonderful family story," as The Horn Book Magazine said, "set matter-of-factly in an African-American environment." Since then, the story of Sarah and Susan's Sunday

afternoon with their great-great-aunt Flossie--and her many hats and stories--has become a favorite book for sharing and for initiating conversations about family history. For this celebratory 10th anniversary edition, Elizabeth Fitzgerald Howard has written a special eight-page afterword, illustrated with family photographs, in which she tells about her own family history and the real Aunt Flossie, a truly remarkable woman.
