D. W. can't wait to get a library card, but she has to learn how to write her full name first. After a lot of practice, she finally gets a library card of her very own. But when she tries to find the book that she wants, it's gone! One week later, D. W.'s book is returned, but now she's told that she can't damage the book or her library card will be taken away--forever! Full-color illustrations.
