It's Christmas Eve in 19th century Europe. And on this magical evening, young Clara's eccentric godfather has given her a beautiful wooden nutcracker. As midnight strikes,

Clara's wooden toy transforms into a handsome prince, and Christmas quickly becomes even more enchanting. The prince takes Clara on a romantic overnight adventure into a dream world of delicacies called the Land of Sweets. Clara's adventure ends as she wakes up snuggly tucked in her bed. As she embraces her nutcracker, she realizes that the best part of Christmas...is the magic it brings.
