著者:Giblin, James Cross

出版者:Houghton Mifflin

出版时间:2002-3

装帧:HRD

isbn:9780395903711

Many people believe Hitler was the personification of evil. In this intriguing biography, James Cross Giblin penetrates this faade and presents a picture of a complex personat

once a brilliant, influential politician and a deeply disturbed man. In a straightforward and nonsensational manner, the author explores the forces that shaped the man as well as the social conditions that furthered his rapid rise to power. Against a background of crucial historical events, Giblin traces the arc of Hitler's life: his childhood, his years as a frustrated artist in Vienna, his extraordinary rise as dictator of Germany, his final days in an embattled bunker under Berlin. Powerful archival images provide a haunting visual accompaniment to this clear and compelling account of a life that left an ineradicable mark on our world. Author's note, bibliography, index.
