Quail season has just begun, and already there's trouble on the ranch. When a wayward bird dog goes missing, Hank takes off in search of him-and finds himself face-to-face with an angry mother hog and her litter. If that isn't bad enough, before Hank knows it, his arch-enemies the coyote brothers appear on the scene. Can Hank's quick wits and supple reflexes help him out of this fix? Or will Hank become hogmeat? Find out in this latest adventure starring everyone's favorite Head of Ranch Security.
