Can you count all the animals that live in the woods? ""At the edge of the woods, the grass grows tall, ""the daisies dance and the blackbirds call.""One chipmunk lives in the old stone wall""at the edge of the deep, dark woods."" The chipmunk is not alone. Two spotted fawns play in the grass. Three furry foxes drink from the pond. And who is that coming out of the cave? Count up to ten and back again with the animals of the deep, dark woods.
