isbn:9781575420134

Children need help learning how to get along with others at school, in the neighborhood, and on the playground. They need to know that they have the power to make good choices. In simple, affirming words and exuberant full-color illustrations, We Can Get Along teaches essential conflict resolution and peacemaking skills--think

before you speak or act, treat others the way you want to be treated--in a way that young children can understand.
