Where does the wind go when it stops? When a little boy asks this question at the end of a happy day, his mother explains that the wind does not stop-it blows away to make the trees dance somewhere else. Reassuringly, she tells him that nothing ever ends, it simply begins in another place or in another way. Rain goes back into the clouds to create new storms, waves fold back upon the sea to become new waves, and the day moves on to make way for the night, bringing the darkness and stars for the little boy to dream in. Charlotte Zolotow's lyrical prose and Stefano Vitale's rich illustrations make this a beautiful celebration of the cycle of life.

评论

语句优美，安慰人心。尾页的介绍语总结得很好：Charlotte Zolotow’ s lyrical prose and Stefano Vitale’ s rich illustrations make this a beautiful celebration of the cycle of life."nothing ends."

喜欢画风，很诗意梦幻。内容很文艺，很美好，很童话。但总觉得少了点什么，大概是因为我对绘画先入为主的期待。
