It's winter in the Texas Panhandle, and the ranch is covered in snow and ice. So when Sally May sets off for town, Hank decides to follow Pete's misguided advice and bravely escorts her car down the slick road. Before Hank realizes what's happening, Sally May's car skids into a snow drift—and she is angrier than ever before. And who does she blame but poor Hank! After consulting with his trusty partner, Drover, Hank decides the only way to win back Sally May's affection is to be on his absolute best behavior. Will Hank be able to turn over a new leaf and become the well-mannered dog that every owner dreams of?
