Here's your ticket to a 'round-the-world journey with a most unusual tour guide. Departing from Sarah's bedroom, her yawn makes an eastbound tour of the globe through Cuba, France, Chad, Russia, China, the blue Pacific, Peru...and beyond. Will it ever stop?! Bouncy rhymes and watercolor collages enliven each episode in this contagiously funny tale of a silent phenomenon familiar to even the most wide-awake sleepy-head in the world. Lift the flap to reveal the yawn's final destination. Spirited yet appropriate for bedtime. Teaches some light geography.
