出版时间:2001-10

装帧:Pap

isbn:9781557988027

Maybe Days is a straightforward look at the issues of foster care, the questions that kids ask, and the feelings they confront. An excellent primer for the young child going into foster care, the book also explains in kid terms the responsibilities of everyone involved: parents, foster parents, social workers, lawyers, and judges. As for the kids

themselves, their job is to be a kid -- and there's no maybe about that.
