著者:Tavares, Victor 绘

出版者:Edc Pub

出版时间:2007-1

装帧:HRD

isbn:9780794514563

These are two popular titles in the "Young Reading" series with audio CDs inserted into wallets inside the back cover, making the books and CDs easy to store together. "The Young Reading" series is developed with experts at Roehampton University to help young readers grow in confidence and ability. The packaging also allows potential

purchasers to view the inside of the book.
