The Declaration of Independence is considered to be one of the greatest documents of all time. The central section of the declaration is a ringing assertion that every human being has an equal right to life, liberty, and the pursuit of happiness. These are the words that have built your nation and keep it strong. Here is the complete Declaration of Independence beautifully hand-lettered and decorated. Almost every section is highlighted on its own page, with its meaning and significance enhanced by imaginative drawings and sketches appropriate to the all-important words they complement.
