Brighter Child Math provides children in kindergarten with necessary math instruction. Offering 80 pages of full-color activities, easy-to-follow directions, and complete answer key, children will have fun learning important math skills. Features activities

that teach: -Numbers 0 to 20 -Sequencing -Shapes and patterns -Position words
-Graphing -Time and money concepts The popular "Brighter Child Workbook series"
offers a full complement of instruction, activities, and information in 51 subject-specific
workbooks. Encompassing preschool to grade 6, this series covers key subjects
including basic skills, English and grammar, math, phonics, reading, science, and
Spanish. This series is helping prepare children by giving them a solid foundation in
key skills necessary for success in the classroom
