isbn:9780769676128

Brighter Child Math provides children in grade 2 with necessary math instruction. Offering 80 pages of full-color activities, easy-to-follow directions, and complete answer key, children will have fun learning important math skills. Features activities

that teach: -2- and 3-digit addition and subtraction -Skip counting -Place values
-Multiplication and division -Geometry and measurement -Fractions -Time and money
The popular "Brighter Child Workbook series" offers a full complement of instruction,
activities, and information in 51 subject-specific workbooks. Encompassing preschool
to grade 6, this series covers key subjects including basic skills, English and grammar,
math, phonics, reading, science, and Spanish. This series is helping prepare children by
giving them a solid foundation in key skills necessary for success in the classroom
