Brighter Child Math provides children in grade 3 with necessary math instruction. Offering 80 pages of full-color activities, easy-to-follow directions, and complete answer key, children will have fun learning important math skills. Features activities

that teach: -Addition and subtraction with regrouping -Rounding and estimating  
-Multiplication and division -Fractions and decimals -Geometry and measurement  
-Map and graph skills -Time and money The popular "Brighter Child Workbook series"  
offers a full complement of instruction, activities, and information in 51 subject-specific  
workbooks. Encompassing preschool to grade 6, this series covers key subjects  
including basic skills, English and grammar, math, phonics, reading, science, and  
Spanish. This series is helping prepare children by giving them a solid foundation in  
key skills necessary for success in the classroom
