Just as the use of commas was hilariously demystified in "Eats, Shoots and Leaves: Why, Commas Really Do Make a Difference ," now Lynne Truss and Bonnie Timmons put their talents together to do the same for apostrophes. Everyone needs to know where to put an apostrophe to make a word plural or possessive (Are those sticky things your brotheras or your brothers?) and leaving one out of a contraction can give someone the completely wrong impression (Were here to help you). Full of silly scenes that show how apostrophes make a difference, too, this is another picture book that will elicit bales of laughter and better punctuation from all who read it.
