Even as a young girl, Jill was a favorite of the magical, mysterious Wildfolk, who appeared to her from their invisible realm. Little did she know her extraordinary friends represented but a glimpse of a forgotten past and a fateful future. Four hundred years--and many lifetimes--ago, one selfish young lord caused the death of two innocent lovers. Then and there he vowed never to rest until he'd righted that wrong--and laid the foundation for the lives of Jill and all those whom she would hold dear: her father, the mercenary soldier Cullynn; the exiled berserker Rhodry Maelwaedd; and the ancient and powerful herbman Nevyn, all bound in a struggle against darkness. . . and a quest to fulfill the destinies determined centuries ago. Here in this newly revised edition comes the incredible novel that began one of the best-loved fantasy series in recent years--a tale of bold adventure and timeless love, perilous battle and pure magic. For long-standing fans of Deverry and those who have yet to experience this exciting series, Daggerspell is a rare and special treat.
