装帧:HRD

isbn:9781563680205

Now this wonderful, seasonal poem can be enjoyed in a new way by both hearing and

deaf children. Accompanying the complete verses and full-color illustrations, line drawings show this holiday favorite in Signed English, the system that uses American Sign Language signs in English word order. In this exciting new rendition, children will dream of sugarplums while also learning how to form signs for them. The Night Before Christmas Told in Signed English uses both rhyme and signing to help children practice their vocabulary and learn English grammar. Students, parents, and teachers will enjoy the fun, educational way in which this holiday classic entertains at the same time that it teaches.
