装帧:Pap

isbn:9780824986636

This book is suitable for ages 9 to 12 years. Children love candles and this book begins with 'Ten Hot Safety Tips' for kids. Then it's onto the special effects of candles from beeswax, the ice-cavern candles, cupcake candles and many more. Teachers will love this book for its 'something new' approach to crafts. Parents will love it for its creative focus. Kids will love it because making candles is fun.
