Hana Sushi: Flower Sushi Rolls is filled with rolled numerous designs for making entertaining and delicious party food. By adding some simple ingredients to rice or vibrant vegetables, all you have to do is roll and cut and fanciful designs appear:

animals, faces, cars, fruit, dogs, cats, pandas, and as well as dozens of other cute designs. The book is arranged by the season-have a tulip in the spring, bright sun in the summer, a snowman in the winter-and by occasions like housewarmings, New Years, or a child's birthday party. It includes step-by-step instructions and detailed photographs that are easy to follow. With all these fun ideas, Hana Sushi is the perfect book for adventurous cooks who want to bring a personal and unexpected touch to their entertaining.
