The third volume in the First Language Lessons series, this scripted guide uses the classical techniques of memorization, copywork, dictation, and narration to develop

your child's language ability in the formative first years of study. The Level 3 Instructor Guide for First Language Lessons for the Well-Trained Mind reinforces the grammar and writing concepts introduced in the previous levels. It also introduces new material, including sentence diagramming. This instructor book has the same simple-to-use, scripted format as the previous levels. (The Level 3 Student Workbook is available separately; the workbook makes it easier for busy parents to spend more time teaching, and less time preparing—you don't have to hand-draw any diagram frames!)

First Language Lessons Level 3 is designed to follow Levels 1 and 2, but can be used as a first grammar text for older students. The optional end-units on writing letters, dictionary skills, and oral usage allow you to tailor the instruction to the needs of your child. Grade Recommendation: Grades 2-4 .
