America's favorite bakers turn a fresh eye on cookies—everyone's favorite homemade treat.

Drawing on the same commitment to the home-baking community that has earned

them hundreds of thousands of dedicated followers, the bakers at King Arthur Flour guide you through hundreds of recipes, revealing the secrets to making your own mouthwatering cookies for any occasion.

The bakers begin by singling out the "Nine Essential Cookies" and variations that reflect a variety of tastes, textures, and ingredients: brownies sugar cookies chocolate chip cookies shortbread oatmeal cookies peanut butter cookies molasses-ginger cookies biscotti decorated cookies From whoopie pies to ladyfingers, it's all here in one place. The King Arthur Flour Cookie Companion includes full chapters on drop cookies, roll-out cookies, shaped cookies, batter cookies, no-bake cookies, and bars and squares.

You'll find complete instructions for making cookie icings, fillings, and dips. You'll find a thorough overview of the essential ingredients of cookie baking, explaining the chemistry of flours and grains, leavens, sweeteners, fats, dairy products, flavorings, and the science of how these ingredients work together. You'll also learn tips on substitutions and variations; measuring and weighing ingredients; even advice on high-altitude baking. Recipes are enhanced with sidebars providing hints, shortcuts, troubleshooting advice, and recipe lore. And each recipe is accompanied by a complete nutritional analysis. Illustrations throughout the book provide clear step-by-step instructions that take the mystery out of such baking terms as "creaming," "soft-ball stage," and "folding." Finally, a comprehensive illustrated chapter describes the essential baking tools you'll want to have on hand. 150 line black & white illustrations.
