Since Kymythy Schultze's book "Natural Nutrition for Dogs and Cats: The Ultimate Diet" was published, she's been busily traveling around the world giving seminars and helping animal lovers enhance the well-being of their furry friends. Their personal accounts of how their pets have overcome various, and sometimes quite serious, health problems by following the guidelines in her book have brought her great joy. And over and over, she has heard people say, "I should eat as well as my animals do." Well, Kymythy wholeheartedly agrees. In this book, Kymythy bridges the gap between "pet food" and "people food." After all, as a pet lover, you probably share your heart,

your home, and often your ice cream cone with your pets. But are the foods you share doing more harm than good to your pet's health--and your own? "The Natural Nutrition No-Cook Book will show you how to make easy recipes that you and your animal companions can enjoy together Not only is this a delicious recipe book, but it's an invaluable health and nutrition guide as well.
