This classic text on school finance contains the most comprehensive and current information that affects school finance, including historical, economic,

technological/mathematical, and legal points of view. This book is both scholarly and engaging, and is practical, easy-to-read and comprehend; appealing to a diverse audience of students, educational leaders, parents, and legislators. School finance is an evolving topic and this text, now in its Tenth Edition, continues to cover all current trends to provide readers with a firm knowledge of educational finance trends and issues that administrators need to understand. It serves as an excellent reference for both practitioners and academics.
