出版者:Gareth Stevens Pub

出版时间:2003-5

装帧:LIB

isbn:9780836836264

Drawing Is Easy makes air as simple as 1, 2, 3--41. Four steps is all it will take to draw any of the ten animals flowers, faces, on figures, presented in each volume of this clever and colorful series. Drawing instructions for each project are large clear line illustrations. Minimal text allows even the youngest artists to follow along independently as they create some of their very first masterpieces.
