Look at the close-up photograph. Read the fascinating facts. Then, Name That Animal! This engaging nature series uses a quiz-Like, question-and-answer format to introduce young readers to some of the world's most interesting and colorful birds, mammals, and reptiles. Each fact-packed volume's vivid animal portraits will intrigue readers and non-readers alike, inviting them to a fun-filled guessing game. Elephant seal, red fox, lion, or moose? Which animal has a fuzzy, droopy nose that sniffs twigs and leaves to eat? Look at the pictures and read the clues. Then try to guess the names of seven of the world's most interesting birds, mammals, and reptiles by looking at their noses.
